

D-12 DWADASAMSA OR SURYAMSA

D-12 DWADASAMSA

Dwadasamsa which is also known as Suryamsa, is one twelfth division of the sign. Each amsa is therefore $2^{\circ}30'$ in span. Counting always starts from that sign and proceeds regularly regardless of the type of the sign.

D/12 chart incates:

- Happiness of the native from his parents
- Comforts and longevity of the parents
- Social and financial status of the father
- Benefits received by the native from his paternal side

The 12 dwadasamsas of each rasi have been assigned to 4 deities as follows. This is an unique method to strengthen the planet on different division by worshipping the deity indicated. By doing so the malefic effects of the planet, either during the dasha period or transit.

D/12 divisions	Their deities	Results obtained by worshipping the deity
1, 5, 9	Ganesh	Ganesh is known as the Leader of the masses. The common man invokes his name by saying ॐ श्री गणेशाय नमः during times of crises, commencement of any work, etc. and thereby seek his blessings.
2, 6, 10	Ashwini Kumar	The Ashvins are mentioned 376 times in the <i>Rigveda</i> , with 57 hymns specifically dedicated to them. Their expertise and blessings are invoked by doctors, surgeons, physicians, etc. for restoration of health and miraculous cures.
3, 7, 11	Yama	Yama Gayatri Mantra “Om Surya puthraya Vidhmahe Maha Kalaya Dheemahe Thanno Yama Prachodayath” is chanted for power of endurance, discipline, responsibility, restraint, moral values, impartiality, justice and equality so that one is saved from hell fire.
4, 8, 11	Ahi or Serpent	As our sages have associated the serpent with Sheshnag, who has provided an eternal resting place to Lord Vishnu and Goddess Lakshmi, one invokes his name because he denotes love for solitude, cleanliness, power of endurance and satisfaction.

- If D-12 Ascendant lord is a strong benefic planet, occupies the lagna, 2nd, 5th 9th or 11th houses, the native is rich, prosperous, gets paternal affection and property, gets higher education, enjoys father's status and profits.
- If D-12 Ascendant is occupied by malefic and the ascendant lord is afflicted by bad positions and malefic aspects, the native may not get love and support of parents.
- Like the D-9 chart, the D-12 chart is also considered as extension of natal chart and is subject to house wise analysis.
