"A proud but not an arrogant nature, poised, self-contained and dignified. This man will command respect because of his quiet dignity of manner and bearing. His position in his community will be secure and his financial standing sound. His weakness, however, is his susceptibility to the blandishments of the Opposite sex.

He must **avoid entanglements**

- which might lead to a loss of dignity,
- since, to this man, such a loss would be a tragedy."

As a result, this person is subject to barbs of gossip and all through her life has many secret enemies who are jealous of her in one way or another. This in spite of the fact that hers is essentially an honorable and virtuous character not given to either thought or action which should bring slander or scandal. She is particularly loyal to her family and will do anything to make them happy. As a result of his, her actions are often misconstrued and used against her by her enemies."
